I DECLARE that the dissertation/thesis delivered corresponds to the final version; if there are any changes, the version approved by the jury will be submitted.

I DECLARE, for the due effects, that I grant to Universidade Católica Portuguesa, free of charge, a non-exclusive authorization or license to file and make available to the interested parties, namely in the UCP Libraries and through its Institutional Repository, the above identified work in the format and under the conditions set out below, as well as to convert, for the purpose of preservation and access and without altering its content, the said work to any format, file or medium.

• TYPE OF ACCESS

- Open Access
- Restricted access for a determined amount of time - Date after which access will be open: ____/____/____
- Restricted access for an undetermined amount of time

_____, ____/____/____

Signature: _____

Under the terms of Decreto-Lei nº 115/2013, of 7th August and Portaria nº 285/2015, of 15th September, the deposit of Theses and Dissertations in an Institutional Repository is mandatory.

The complete Thesis/Dissertation is to be delivered in a single textual document in PDF/A format.

If there are other non-textual documents that complete it, they must be delivered on the same medium and in the formats defined by the FCT Dispatch arising from Portaria nº 285/2015, of 15th September.

Note: This declaration does not imply a waiver of copyright in the thesis/dissertation or the right to use it in future publications (articles, books, etc.).
